Sir,

I have the honour to submit herewith a bill for Rs 7-1-7 being the pay due to one Hussen Khan who was temporarily appointed as fitter of the Chitaldrug Water Works from 10th March 1909 to 21st March 1909, and to state, that, at this time there was much water scarcity in the Chitaldrug Town, as the supply in the tank had gone below the pipe level Water had to be supplied to the town people by means of pumping, and a suitable machine for the purpose, was necessary On a reference to the Executive Engineer, Shimoga Division,

9

I was informed that a hand pump was available in his office and that the same might be taken to Chitaldrug thereupon, the permanent fitter at Chitaldrug was deputed to Shimoga, to examine the said pump and bring it with him if it suited to the requirements of this town. The fitter who proceeded to Shimoga had to remain there for more than a week awaiting the return of the Executive Engineer from camp for taking instructions from him, in the matter. It was during this period of absence of the fitter on other duty, a substitute to look after his work at Chitaldrug had been entertained at an extra cost to the Municipality.

Under these circumstances I beg that You will kindly be pleased to obtain the sanction of Government to the charge in question, the same being met from the provision of Rs 1650/ made in the Public Works in the current year

is available under any other budgeted heads

I have the honour to be,

Sir,

Your most obedient servant,

)
